May 2025 Newsletter

This month I learned...

a lot about ministry!!! Considering I am still in seminary and am just getting started in a formal ministry position, I feel it would be good for me to be honest about the kind of things God is teaching me. Lately, God has been teaching me a lot about rest and the need to prioritize rest to prevent bad stewardship. I am thankful for Bro. David Hardin and my pastor Justin Gatlin's help in this.

Getting the ball rolling....

In May I was able to sit down with both my pastor and Bro. David to discuss future plans, next steps, and what our current expectations are. Along with this, we began the fundraising process, and have made many plans for future events that I am very excited to share with you, as well as designed a final logo to represent the OBP. We are currently working on preparing for the national meeting, putting together resources, and are completely revamping the website! Because we are in the beginning stages of multiple big things, I cannot share details but I am looking forward to updating you as we continue in the work of God.

Prayer requests:

- The divine appointments God is preparing for us at upcoming OBP events.
- That God provides all needs for Italy Outreach & World Cup Outreach 2026.
- God's providence for Allison and I's trip to Italy Olympic Outreach.

If you have any questions, or would like to hear more about my ministry, I would be love to come to you and share our work.

1 John 1:6

"If we say we have fellowship with him while we walk in darkness, we lie and do not practice the truth."

This verse has been heavy on my heart for many reasons. I am so thankful that God does not remove salvation from us despite our sin! I have been thinking about the theme of light v.s darkness in this chapter, and the fact that we cannot allow darkness to influence us but are also called to shine in the darkness. In the same way that we can be blinded by the darkness that temps us here on earth, we can shine bright into the lives of those walking in darkness to help influence them toward a life for God.

I want to challenge you to pray with one non believer this week. Friend, stranger, whoever. Shine some light on a lost persons dark path.

Updates to come as the work advances.
